Important Equine Health Information

South Florida Hunter Jumper Association and Equestrian Sport Productions has had vaccination protocol in place since 2013.

We will now adhere to GR845 in which:

At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds.

The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement Of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to SFHJA Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

I'm a girl who's made her name kicking butt in a harsh world completely alone. Most of the time, it works for me. But when I found myself alone with a broken back with three horses on the side of a freeway after my truck flipped over, I realized we all need help sometimes.

If EAF hadn't been there to help me carry on, I couldn't have made it alone.

A Message from the President

Dear Friends,

Thank you for your interest in the Equestrian Aid Foundation. I am so proud to be president of an organization with such a long history and such an active community of supporters. In nearly two decades we have given out over \$2 million to horsemen and women when they need it most.

But we cannot rest on our laurels. Every day members of our extended equestrian family are struggling to make ends meet while they deal with catastrophic illnesses and injuries. Thanks to your help, EAF is able to provide not only financial assistance but the tools necessary to help recipients get back on their feet and back in the proverbial saddle.

Every little bit helps, and I hope you know how wholeheartedly your generosity is appreciated.

Very truly yours,

Stephanie R. Bulger

The Equestrian Club at Florida Atlantic University was founded in 2009 with four members. Today, the club is proudly considered a “top tier Owl” in the Sports and Recreation department of FAU with over 30 members who all share the love of horses. The FAU-EQ Team competes in horse shows sanctioned by the Intercollegiate Horse Shows Association (IHSA) which has a nationwide membership of 315 colleges and universities. The team participates in many community fundraisers and volunteer efforts, hosts IHSA horse shows, and puts on local schooling shows to raise funds for its travel team.
